

## COPYRIGHT LAW

Copyright Owner has  
Exclusive Rights  
Reproduction  
Derivative Works  
Distribution  
Transfer Ownership  
Public Performance  
Public Display

To promote the  
progress of  
science and the  
useful arts.

## Section 107 U.S. Copyright Act

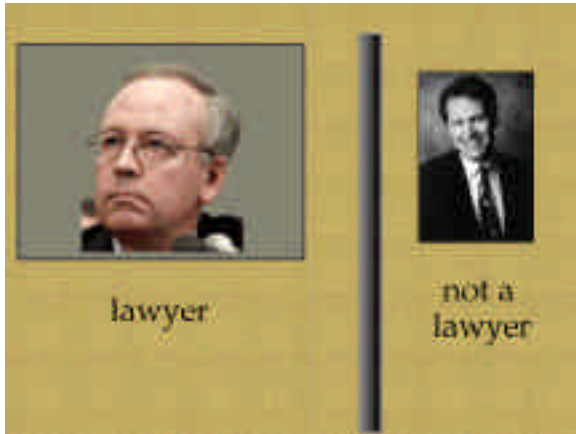

## Fair Use

criticism  
comment  
news reporting  
scholarship  
research  
teaching

## Fair Use Considerations

- nature and character of the use
- nature of the work
- amount and substance of the portion
- the effect of the use of the work

### THINGS THAT ARE WRONG.

**“THE PRIMARY PURPOSE OF COPYRIGHT LAW IS TO PROTECT AUTHORS AGAINST THOSE WHO WOULD PILSIN THEIR WORK.”**  
*Memorandum, “Public Access to the Public Domain,” 1909*

**COPYRIGHT CLEARANCE CENTER: “COPYRIGHT LAW IN THE UNITED STATES REQUIRES THAT USERS OF COPYRIGHTED MATERIALS OBTAIN AUTHORIZATION FROM COPYRIGHT OWNERS.”**

The primary purpose of copyright—as stated explicitly by the framers of the constitution—is to promote the public welfare by the advancement of knowledge.  
*The Nature of Copyright—A Law of Users’ Rights* - L. Ray Patterson & STW Landerberg
