

## California Student Media Festival - 2020

The Teacher or Primary Contact should fill out the entire form completely before submitting the media entry. Entry can be created by an individual or a team. This year's theme is "Student Media for a Better World" in connection with the United Nations Sustainable Development Goals (SDGs). Submitted Media does not need to be aligned with the theme as a requirement. Visit [mediafestival.org](http://mediafestival.org) for more information.

FOR THE PRIMARY CONTACT: The Festival requires the normal Photo Release form for students whose work or likeness is in the project. The release form is here: <https://tinyurl.com/CSMFphotoReleaseForm>. Those may be kept in the school until requested by the Festival. Thank you for having them signed. If student privacy forms beyond this are required by the school or district, the primary contact will verify the appropriate student privacy forms on file at the school office for the student(s) appearing in this submission. \*

YES! I have these forms on file.

OPTIONAL: Does your media project help make a positive difference in the world? If yes, with which of the five UN Sustainable Development Goals does your project best align?

YES

NO

The Festival encourages teachers to discuss the United Nations Sustainable Development Goals with the media festival project builders. A Special Award will be given to the project that most celebrates these goals.
